UNITED STATES DISTRICT COURT WESTERN DISTRICT OF MICHIGAN SOUTHERN DIVISION

UNITED STATES OF AMERICA,	
Plaintiff,	
	Hon. Phillip J. Green
v.	Coss No. 1.17 m; 000270
Thomas Lee Cowley,	Case No. 1:17-mj-000370
Defendant.	

ORDER OF DETENTION

This matter is before the Court on the government's motion for pretrial detention. Defendant has been charged in a Criminal Complaint with conspiracy to distribute and to possess with intent to distribute 50 grams or more of methamphetamine, in violation of 21 U.S.C. §§ 846; 841(a)(1); and 841(b)(1)(A)(viii). Given the nature of the charge, there is a statutory rebuttable presumption in favor of detention.

The government sought defendant's detention on the basis the he is a danger to the community, 18 U.S.C. § 1342(f)(1), and that he poses a significant risk of flight, 18 U.S.C. § 3142(f)(2)(A). The Court conducted a hearing on December 6, 2017, at which defendant was represented by counsel.

Having considered the information presented at the hearing, the parties' oral submissions, and the information in the Pretrial Services Report, and for the reasons stated on the record, the Court finds that defendant has rebutted the presumption of

detention regarding risk of flight, but has not rebutted the presumption of detention

as to danger to the community. The Court also finds, as explained on the record, that

the government has sustained its burden of proving, by preponderant evidence, that

defendant poses a significant risk of flight and, by clear and convincing evidence, that

he poses a danger to the community. Further, the Court finds that there is no

condition or combination of conditions of release that will ensure the safety of the

community or the appearance of the defendant. Accordingly,

IT IS ORDERED that defendant is committed to the custody of the Attorney

General pending trial.

DONE AND ORDERED on December 6, 2017.
